

# REMARKS

The Examiner requested a marked-up copy of the specification incorporating all changes made thereto including those made in the November 27, 2007 Reply To Office Action ("ROA").

Applicants respectfully submit herewith a marked-up copy of the specification as requested. The marked-up copy is based on the originally-filed application and shows all changes made thereto since the August 27, 2003 filing date. Paragraphs 15, 17, 18, 20, 28, 33-35, 37, and 39 were amended.

An early and favorable action to applicants' ROA is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Garry J. Tuma", is written over a horizontal line.
